**PART-III GENERAL KNOWLEDGE**

**40 QUESTIONS**

**PART-I (ENGLISH)**

**Reading & comprehension – 10**

**Read the following passage carefully and answer the questions from 01 to 02 set below it.**

In olden days, people used to live in caves. They found them as safe homes. Furnished living places were unknown to them. In stone age they made some useful tools and weapons from stone for they found them useful, durable and strong to use. They knew that heavy stones could be best used in battles to attack enemy forces and harass their horses, camels and elephants. They would throw heavy stones from long distances to enemy's sides through catapults that were used as weapons.
